**Non-dutiable Charges** - amounts that can be legally deducted from the invoice value for Customs purposes

**Power of Attorney** - A Power of Attorney is a legal instrument that is used to delegate legal authority to another. The person who signs(executes)a Power of Attorney is called the Principal. The power of Attorney gives legal authority to another person(called an Agent or Attorney-in-Fact) to make property, financial and other legal decisions for the Principal.

These instructions are to be used as a general guideline for Exporting/Importing. This information is provided to assist GRACE suppliers when Exporting/Importing to GRACE. These procedures cannot be interpreted as a substitute for compliance to applicable governmental regulations. If your company is designated as the Exporter/Importer of Record, it is your legal responsibility to understand and comply with Export/Import Regulations of the appropriate counties.

Rev. 4/19/07
**SAP** - Systems, Applications and Products, a software product used by Grace for orders, sales, payments, inventory and production

**Textile Declaration** - a statement required for entry of textile products stating the countries and processes through which the goods passed before they arrived at the US.

**TSCA** – Congress enacted the Toxic Substances Control Act (TSCA; the Act) in 1976. [Public Law 94-469, October 11, 1976] Under TSCA, EPA is given broad authority to issue regulations designed to gather health/safety and exposure information on, require testing of, and control exposure to individual chemical substances, chemical mixtures, and articles. If the chemicals are in a class excluded from TSCA you make a negative TSCA statement, and if they are in a class included in TSCA jurisdiction you make a positive TSCA statement.
